

Last year a monkey saved my life!

When copyright training...

Some confessions...

She didn't literally save my
life!

It wasn't last
year!

Not sure
she's even a
monkey!?

How did this happen?

Boredom

Confusion

Fear

Anger

Who owns the copyright
in this image?

- a) The monkey
- b) The photographer
- c) Nobody

- 
- A close-up photograph of a chimpanzee's face, showing its eyes and open mouth with teeth. The chimpanzee has dark fur and a lighter-colored face. The background is a blurred green, suggesting a natural habitat. The image is framed by a black border.
- Student work?
 - Teaching materials?
 - Scholarly work?

Who owns what...?

Q
