“Can Open, Worms Everywhere”: Copyright, Interlibrary Loans and Systematic Reviews

Rachel Davis, Academic Librarian

Tom Lennox, Library Services Supervisor (Lending)

Liesl Rowe, Senior Digital Library Advisor (Copyright)

The Wormy Prelude

- What is a systematic review and how to identify one in the wild
- The compliance conundrum - multiple users vs. single-user restriction

Silence Isn't Golden

- Avoiding the Issue – most libraries reluctant to discuss
- Time to break the silence
- How do we supply? ...Collections?
...Digitisation?

Looking for Clues

- November – December 2023: Consulting with other universities
- January 2024 - Meeting with CLA about systematic reviews
- June 2024 – new CLA license

Hatching a Plan

- Need to find a way to hold articles securely, SSO doesn't work across institution
- Internal plan drawn up, waiting on CNAC/CLA guidance
- Consult with other institutions to see how they're handling these requests now
